Dear Mr. Bryant:

This is in response to your inquiry in regards to ownership of vehicle when an insurance company has paid off a total loss claim.

I have conferred with the agency staffing of the Technical Support Unit and was advised that the insurance company which pays for the total loss claim becomes the owner of the vehicle and title to the vehicle must be transferred into their name. You may contact Mr. Robert Grill (609) 633-9456 if you have any additional questions:

Sincerely,

Yvonne Dawkins
